(1) The two points that require the orders of the Govt: are the following:-

(1) the fixing of the pay of Dr: Inascerenhas as Health Officer Kolar Gold Fields and

(2) the posting of a successor to him as Medical Officer in charge of the Imperial Service Lancers

As regards (1) I would invite reference to para 3 (5) of G. O. Nos: 1378-92 San. 93-06-8 dated the 10th August 1907 laying down the scale of pay of Health Officers, and to this Office letter No: 1688 of the 29th October 1908 recommending the grant of a local allowance in view of the exceptionally Costly living on the Kolar Gold Fields and of the necessity for an Officer of the status of a Health Officer having to maintain a big establishment. These reasons hold good now as much as ever they did before and I recommend that the pay and allowances be fixed as in the case of Dr: Innes. Dr: Inascerenhas will of course start on the initial pay of the appointment viz Rs: 250/-

(2) As regards the nomination of a successor to Dr: Inascerenhas, I wish to point out that all the Officers that held the appointment till now have been from among our Assistant Surgeons and with but one exception none possessed any special qualification in Public Health.

Selection of an officer for the post of Health Officer, Kolar Gold Fields, in the place of Dr. Munsiff, and consequential arrangements.

These papers relate to the appointment of a successor to Mr. J. Munsiff, Health Officer, Kolar Gold Fields, who has been permitted to accept the appointment as Deputy Sanitary Commissioner in the Bombay Presidency.

Mr. Munsiff has been allowed to have a lien on his post in the Mysore Service for a year, but it is nevertheless advisable to select the most capable candidate for the post, so that he may be confirmed in case Mr. Munsiff stays away at the end of the year.

Mr. C. M. Ganapathi, M.B., D.P.H., son of Mr. C. Madiah, retired Councillor, has applied for the post. But the Sanitary Commissioner recommends that Mr. J. V. Third Class, who is now doing duty with the Imperial Service Regiment and who possesses the requisite qualifications and is best fitted to succeed Mr. Munsiff on the Gold Fields may be appointed for the place and that Mr. Ganapathi's claims may be considered in some other connection, e.g., the appointment of District Sanitary Officer for Chitaldrug.

When a Student of the Edinburgh University Mr C. M. He was an excellent Student, taking a very creditable place at the Examinations of the class, and working well in the wards.

In March 1911 Mr Ganapathy passed the final Examination of the University and graduated as M.B. & Ch.B.

In reply to your No.3924/L.B.23-13 dated 25th September 1913, I beg to inform you that Dr. Achyuta Rao, Dr. O'Donnell. Dr. Munsiff and myself met together on Wednesday last and discussed the matter as to who would be a suitable person to succeed Dr. Munsiff, as Health Officer on the Kolar Gold Fields.

We came to the conclusion that Mr. Pani would be the most suitable man, but as his services ~~probably~~ possibly could not be spared at present, it was decided that Mr. Masceranhas might be appointed if Government were so pleased.

Dr. O'Donnell, the Chief Medical Officer on the Field was quite agreeable to the proposal which

My dear Sir,

In reference to your D.O. of yesterday's date re- offering of a District Sanitary Officership to Mr. Ganapati, I beg to intimate that the needful information will be obtained and submitted to the Government. Meanwhile and irrespective of the question of appointment of a District Sanitary Officer for Chitaldrug, I solicit the favor of early orders in regard to the posting of a Gazetted Officer for the Medical charge of the Imperial Service Lancers at Bangalore. It is an important charge and I think one should be posted early thereto.

Yours sincerely,
